

# Final Exam Reminders, Instructions, and Information

## Getting Ready

Online Final Exam Wednesday April 28 8:30AM - 11:30AM

- No time extensions will be given
- Do a browser check before: Google Chrome or Firefox recommended
- Take the exam in a quiet location, with a wired internet connection or strong Wi-Fi signal
- For text answers, write them in a word processing app first, then cut and paste into the quiz answer fields.

## Potential Problems

- You can post on the canvas discussion board **Final Exam Clarifications**

## Taking the Exam

- Different students will be shown different questions
- In addition to content, clarity of the answers will also be considered.
- No text is to be copied and pasted from external resources, your answers must be in your own words.
- Press the submit button only when you have completed the quiz. Canvas will warn you if some questions are not answered.
- You should **connect to a zoom session** and *keep your camera on*. We will ask you to show ID.
