

CMPT 320: Implications of a Computerized Society

Midterm Exam

Simon Fraser University

Spring 2022

Instructor: Oliver Schulte

Student Name:

Student Number:

1. **Write down your name and student number.**
2. Answer all questions. This exam consists of 7 pages. You have 50 minutes to complete this exam. You can earn a total of 50 points on the exam. I indicate the worth of each question.
3. For short answer/multiple choice questions, you can get full marks for giving the right answer, and *partial* credit for explaining a wrong answer if the explanation contains enough correct insights. Indicate clearly which part of what you have written is the final answer to the question.
4. You should answer the questions in the space provided, or on the multiple choice answer sheet, as indicated. If necessary, you may continue your answer on the back of the question sheet.
5. This is a closed-book exam, but you may use 1 (one) 8.5 x 11 sheet of notes for reference, both sides.
6. Work efficiently. Some questions are easier than others. Avoid getting bogged down in the more difficult ones before you have answered the easier ones. Short-answer questions are at the end.

Grading Breakdown.

Section	Your Mark	Total Possible
Ethics		11
Privacy		18
Free Speech		11
Intellectual Property		10
Total Sum		50
