# Introduction to Deep Learning

# School of Computing Science

# Simon Fraser University

# Assignment 4: Conceptual Exercises

Exercise numbers refer to the textbook (Introduction to Deep Learning).

Submit **one** of the questions for grading; you can choose which one. The others are good to solve as preparation for the final exam, but we will grade only one.

1. Answer Exercise 5.3
2. Answer Exercise 7.6
3. Answer Exercise 7.2
4. Solve Exercise 4.6

Note: some answers are at the end
